

# Grade 10- Career Path Investigation Presentation Guide

## February 2018

**YOUR Objective:**

**SHOW** us **WHAT** you know about this career and  
**WHY** you think this could be a good career for you.

You completed research for two different career paths in your Career Path Investigation in Naviance. Now you will choose **ONE** of the careers you researched and create a presentation to share with your classmates and your counselor.

### **WHAT?**

**Please be sure to address the following in your presentation:**

- Identify the career you chose.
- Provide a description of the career.
- Why did you pick this career? What interests you about this career?
- What kind of preparation (educational or other training) would you need to get this job?
- What is the expected salary of someone in this job? Is this satisfactory for you?
- Describe the working environment of this particular job.
- What might a typical day look like in this career?
- Describe personality traits, skills or abilities someone in this type of career should possess.
- Identify how this career meets some of the career satisfiers for your personality type.
- Why would this be a good career choice for you?

### **HOW?**

**Be creative! You can make a video, a slide presentation with graphics and presenter notes, use quotes, break it up with humor, use visuals, etc...**

**Please do not just fill screens with text.**

### **SUBMISSION:**

**When you finish, please upload your presentation into Naviance:**

- Go to About Me tab
- Click on journal
- Add journal entry
- Upload file
